

# Web 2.0 Research

## Second Generation Internet

*The Case for and Against Web 2.0 Technologies and Education.*

What is the key to Web 2.0? technology?

*What is second generation Internet? Why has the term taken on such a significance in the last two years? What is the relationship between web 2.0, education and pedagogy? The Handbook of Research on Language Acquisition Technologies: Web 2.0 Transformation of Learning will examine these questions in the context of research on CALL. You can submit a proposal by visiting our homepage. If you have any good links on Web 2.0, please send an e-mail to: < michael.thomas@nucba.ac.jp >*
